Notes for parents/Guardians: Considering the present worldwide crisis due to Covid-19 Pandemic, the College Admission Committee and the Academic Committee in a joint meeting held on 23-07-2020 decided to increase existing seat limit on the basis of resolution adopted by the College Governing Body. For this the college needs to create section/shifts for different classes. Although in HS no shift will be there. The college management seeks cooperation from all sections of people, particularly the students and their parents/guardians to accept our decision and adjust accordingly. Availing of admission into different classes/semesters are to be decided by the concerned parents/guardians, if agreed. Further, once admitted, no transfer request will be entertained. In that case, if transfer request received by this office, the college authority has no other option other than to forfeit the seat. There is no admission fee as per the Assam Govt. decision for Arts and Science Students of HS and UG Classes.

Wishing you all the best.
