The MyBharat Portal is an important initiative of the Government of India aimed at promoting youth engagement, volunteerism, skill development, Experiential Learning Programs, Mentorship and Peer Engagement, national Campaigns and Quizes and participation in nation-building activities. Registration of students will enable them to avail themselves of various opportunities and programmes offered through the platform.

You are, therefore, requested to sensitise all students about the importance of the portal and ensure that 100% registration of eligible students is completed at the earliest.

A compliance report indicating the number of students registered may kindly be submitted to the Office of the Registrar upon completion of the registration process.
